Appliance box SL 20x50-9010 und SL 20x70-9010, for two devices 45x45, white

Product description

Appliance box for skirting trunking SL 20x50 and SL 20x70, for device installation of two compact M45 built-in devices in 45x45 mm format (e.g. socket outlet, data socket outlet, antenna socket outlet, USB charging socket outlet, switch), device support with transition cover to skirting and support profile including fixing material for screwing above the skirting trunking base. Note: The covers of the skirting trunking can be slid sideways under the transition cover of the device support, whereby the transition cover of the device support performs a cut-covering function for the covers of the skirting trunking.
