Appliance box 4D 20x80BP-D2, for two devices 45x45 mm, white

Product description

Appliance box for the 4D E skirting trunking "Berliner Profil", for device installation of two compact M45 built-in devices in the format 45x45 mm (e.g. socket, data socket, antenna socket, USB charging socket, switch), device support with transition cover to the skirting and support profile including fixing material for screwing above the skirting trunking base. **Note:** The covers of the skirting trunking can be slid sideways under the transition cover of the device support, whereby the transition cover of the device support performs a cut-covering function for the covers of the skirting trunking.
