Fin for wall duct ALN/S-9010, aluminium, for parapet cladding, pure white

Product description

Louvre as accessory for sill cladding, design: slanted/inclined, height 20 mm, depth 20 mm, to be mounted with louvre support LT-5/125, louvre supports are placed on a previously mounted support profile. The ideal solution for elegantly concealing heating and air-conditioning units in rooms with window parapets and/or for combining an additionally required post-installation with a parapet duct without significantly impairing the air flow.

Basic data

Item number	3912
Product group	20-Wall installation
Packing unit	50 meters
EAN code	4018475039124
Tariff number	76109090

Technical features

Length	2000 mm
Material	aluminium
Halogen free	yes
Surface protection	coated
Colour	white
RAL-number	9010
