Installation column 124x110-9010, 650 mm, 2-sided, aluminium, pure white

Product description

Powerpole made of aluminium with two 76.5 mm wide fixing tracks for device installation of commercially available switch ranges in combination with accessory mounting boxes or M45 built-in devices with the aid of front-locking installation frames, cable entry through the base, consisting of two bases with a DIN rail for snap-in mounting of a plastic partition for separating cables and two covers as pole body (height 650 mm), a fixed-mountable base plate (width: 200 mm, depth: 200 mm, material thickness: 17 mm) and a top plate to secure against unauthorised opening and for a clean finish. Potential equalisation and earthing measures must be carried out professionally. The specified length corresponds to the length of the column body.

Basic data

Item number	18659
Product group	30-floor and ceiling installation
Packing unit	1
EAN code	4018475331327
Tariff number	76109090

Technical features

Pillar shape	Square
Model	Double-sided
Prewired	no
Adjustable	no
Height levelling	0 mm
Column height	from 650 to 650 mm
Column depth	120 mm
Column width	110 mm
Diameter	165 mm
Number of usable covers	2
Cover width	80 mm
Cover depth	10 mm
Type of fastening	Stand (base)
Place variable	no
Suitable for ceiling mounting	no
Suitable for floor mounting	yes
Cable entry	bottom
Through-going profile	yes
Material installation column	aluminium
Material quality installation column	other
Material installation column halogen free	yes
Surface protection column	coated
Colour column	white
RAL-number column	9010
Material cover	aluminium

Material quality cover	other
Material cover halogen free	yes
Cover surface	coated
Colour cover	white
RAL-number cover	9010
Number of partitions	0
Useful cross section	12010 mm²
