## Installation column 124x130-9010, 650 mm, 2-sided, aluminium, pure white

## **Product description**

Powerpole made of aluminium with two 76.5 mm wide fixing tracks for device installation of commercially available switch ranges in combination with accessory mounting boxes or M45 built-in devices with the aid of front-locking installation frames, cable entry through the base, consisting of two bases with a DIN rail for snap-in mounting of a plastic partition for separating cables and two covers as pole body (height 650 mm), a fixed-mountable base plate (width: 200 mm, depth: 200 mm, material thickness: 17 mm) and a top plate to secure against unauthorised opening and for a clean finish. Potential equalisation and earthing measures must be carried out professionally. The specified length corresponds to the length of the column body.

## Basic data

Item number	18661
Product group	30-floor and ceiling installation
Packing unit	1 piece
EAN code	4018475331334
Tariff number	76109090

## **Technical features**

Pillar shape	rectangular
Model	double-sided
Prewired	no
Column height	650 - 650 mm
Column depth	126 mm
Column width	130 mm
Number of usable covers	2
Cover width	45 mm
Cover depth	15 mm
Type of fastening	stand (base)
Place variable	no
Cable entry	bottom
Through-going profile	yes
Material installation column	aluminium
Material installation column halogen free	yes
Surface protection column	anodised
Colour column	white
RAL-number column	9010
Material cover	aluminium
Material cover halogen free	yes
Cover surface	coated
RAL-number cover	9010
Useful cross section	14370 mm²
Floor mounting possible	yes
Ceiling mounting	no
