Installation column MRS 70-9010, 650 mm, aluminium, pure white coated

Product description

Powerpole made of aluminium with a 45 mm wide fixing track for device installation of compact M45 built-in devices in the 45x45 mm format, cable entry through the base, consisting of base and cover as pole body (height 650 mm), two circular segment covers including fixing pins for closing the semicircular openings, a fixed-mountable base plate (diameter: 200 mm, material thickness: 10 mm), a 360° all-round lamination for a clean transition from the base plate to the column body and an end cap for a clean finish. **Note:** Potential equalisation and earthing measures must be carried out professionally. The specified length corresponds to the length of the column body.

Basic data

Item number	18656
Product group	30-floor and ceiling installation
Packing unit	1
EAN code	4018475331235
Tariff number	76109090

Technical features

Pillar shape	Round
Model	Single-sided
Prewired	no
Adjustable	no
Height levelling	0 mm
Column height	from 650 to 650 mm
Diameter	70 mm
Number of usable covers	1
Cover width	45 mm
Cover depth	15 mm
Type of fastening	Stand (base)
Place variable	no
Suitable for ceiling mounting	no
Suitable for floor mounting	yes
Cable entry	bottom
Through-going profile	yes
