Mounting bracket with separation cup MH 50, for BR/BRA height 60mm with DIN-rail

Product description

Mounting bracket for installation-friendly and space-saving installation of the junction boxes to comply with the bending radii required for copper and fibre-optic data cables, for separation from parts carrying mains voltage with plug-in separating shell, overall height 50 mm, for installation in wall trunking with a DIN rail and a height of 60 mm.

Basic data

Item number	3203
Product group	20-Wall installation
Packing unit	50 pieces
EAN code	4018475272262
Tariff number	39269097

Technical features

Number of appliances to build in	1
Model	Shape of cup
Installation technique	other
Mounting method installation unit	crew
Material	other
