Mounting bracket with separation cup MH 50, for BR/BRA height 60mm with DIN-rail

Product description

Mounting bracket for installation-friendly and space-saving installation of the junction boxes to comply with the bending radii required for copper and fibre-optic data cables, for separation from parts carrying mains voltage with plug-in separating shell, overall height 50 mm, for installation in wall trunking with a DIN rail and a height of 60 mm.

Basic data

Product group 40-Installation devices Packing unit 50 pieces EAN code 4018475272262 Tariff number 39269097	Item number	3203
EAN code 4018475272262	Product group	40-Installation devices
	Packing unit	50 pieces
Tariff number 39269097	EAN code	4018475272262
	Tariff number	39269097

Technical features

Number of units	1
Mounting method box	rear panel
Model	open
Type of device	data processing technology
Mounting track	76,5
Material	plastic
Mounting method installation unit	crew
