Transition cover section RK 110x150-9016, plastic, 2000 mm, white

Product description

PVC transition cover section, for protection and as a transition from laid cables to distribution cabinets, can be shortened to size as required. The profile holders and the pair of end pieces must be ordered separately. **Note:** Due to the asymmetrical shape of the cover profile, the profile can be mounted flexibly in height and width (H110 x W150 mm or H150 x B110 mm).

Basic data

Item number	18072
Product group	60-Slotted trunking
Packing unit	16 meters
EAN code	4018475268913
Tariff number	39259020

Technical features

Height	110 mm
Width	150 mm
Length	2000 mm
Colour	white
Material	plastic
Halogen free	no
Surface protection	untreated
RAL-number	9016
